STEP 3 – Select the categories you are interested in and complete your profile with an introduction.

The image shows a two-part screenshot of a user interface. The top part shows the 'Interests' step (3) where a user selects categories. The bottom part shows the 'Profile' step (4) where a user completes their profile.

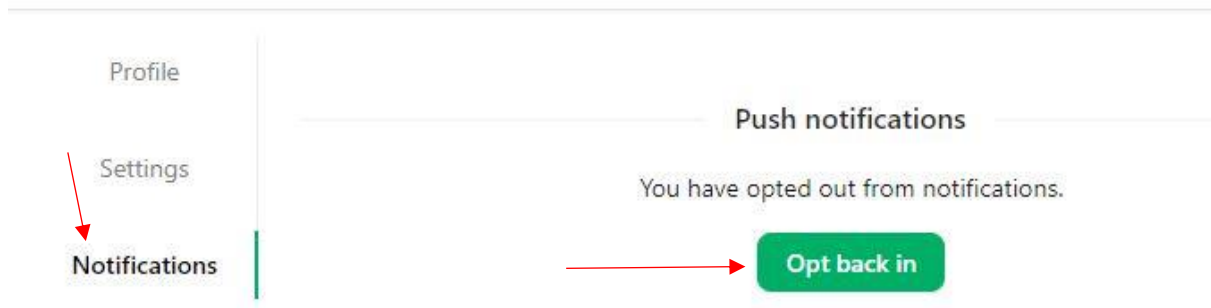

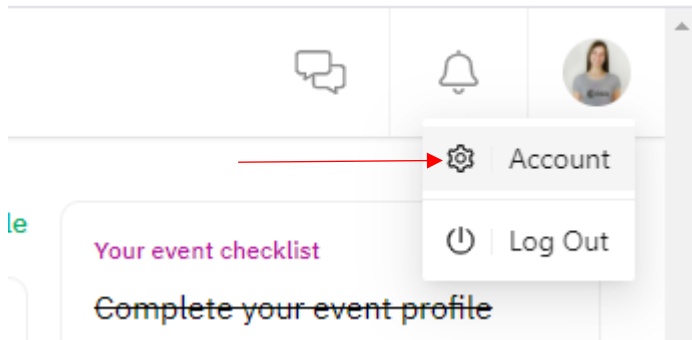

Interests Selection Step:

- Progress bar: Welcome (checked), Availability (checked), **Interests (3)**, Profile (4)
- Section: **Select the items you're interested in**
- Search bar: Search
- Section: **I'm interested in**
- Selected categories: AI4EO, Applications, Block-4 In EOEP-5/FutureEO-1 (indicated by a red arrow), Enterprise/Open Call, Federated Collaborative platforms, GDA, InCubed, Science
- Button: Proceed (indicated by a red arrow)

Profile Completion Step:

- Progress bar: Welcome (checked), Availability (checked), Interests (checked), **Profile (4)**
- Section: **Finally, let's complete your profile**
- User profile: Valeria Rosicarelli, Nikal Solutions for ESA, Event Project Manager
- Section: **INTRODUCTION 214 / 280**
- Text area: Hi everyone and Welcome on the Event Platform! I am a member of the EO INFO DAYS 2021 organising team. Please do not hesitate to contact me for any questions regarding the event. Enjoy your virtual experience here!
- Section: **COUNTRIES WE / I OPERATE IN**
- Tags: Italy x, Worldwide x
- Button: Start networking (indicated by a red arrow)

STEP 4 – Once you enter the environment, click on your image on the top left of the platform and on Account Settings. Then, go to the Notifications panel and enable push notifications.

HOW TO SUGGEST A BILATERAL MEETING – dedicated tab

You can suggest a meeting by clicking on “Bilateral Meetings” tab. Select the topic you are interested in and on “Suggest Meeting” for the preferred available time slot.

All the reservations for topics that were not previously booked at the registration will be rejected.

The screenshot displays the website interface for Earth Observation Info Days 2021. The header includes the ESA logo and the event title. A search bar is present with the text "Find bilateral meetings". The left sidebar contains a navigation menu with the following items: "Event Home", "People", "Schedule", and "Bilateral Meetings", which is highlighted in green and has a red arrow pointing to it. The main content area is organized into sections: "Contact Points" (with a "Helpdesk" item), "Block-4 in EOEP-5/FutureEO-1" (with three items), "Science" (with one item, highlighted by a red arrow), and "Federated Collaborative platforms" (with one item). The footer indicates the event is powered by CERN.
