

## 3rd ESA Carbon Science Cluster Coordination Meeting

<b>Time</b>	<b>28/01/2024</b>	<b>29/01/2024</b>
<b>9:00-9:30</b>	Welcome and opening statements from ESA and EC	Recap Feedback from Day 1 and Planning for Day 2
<b>9:30-11:00</b>	<b>Preparation for multi-mission assessment of the carbon cycle (Flex, BIOMASS and the Sentinel Expansion missions)</b>	<b>Exploring ground-based, airborne and satellite observations and concepts for the carbon cycle.</b>
<b>11:00-11:15</b>	Coffee Break	Coffee Break
<b>11:15-12:45</b>	<b>Global Carbon Budgets and Earth Observation</b>	<b>Ocean and Cryosphere Processes and interaction with Land</b>
<b>12:45-14:00</b>	Lunch	Lunch
<b>14:00-15:30</b>	<b>Understanding the role of land use change in the carbon cycle</b>	<b>Understanding Emissions</b>
<b>15:30-16:00</b>	Coffee Break	Coffee Break
<b>16:00-17:00</b>	<b>Themed Discussion Session – How do we link key existing support activities EarthCode, EO-LINCS, THRAC3E, emulators</b>	<b>Next Steps Discussion Session</b>
		<b>Wrap-up/End of Meeting</b>
